The world's most realistic Virtual Sports product, available to play across all platforms, channels and devices.

Following an intensive 12-month process of record-breaking motion capture initiatives at Warner Bros. Studios and 3D design and modelling work at our Playtech Studios, both located in the UK, Playtech Virtual Tennis is as close to the real game as any supplier has been able to capture.

In-line with our pioneering Playtech ONE anytime, anywhere and on any device gaming experience, Virtual Tennis is available online, in retail and on mobile and boasts comprehensive lifelike action, pre-match betting markets, realistic gameplay and incredible attention to detail including dynamic cloth physics with players' shirts moving as they stretch to hit the ball.

To achieve this mind-blowing product, we worked closely in partnership with Warner Bros.

Studios using the most sophisticated systems and technology available today taking over one of the studio's largest film stages for three weeks and installing more than 100 cameras to capture the most realistic, accurate and authentic {img} for our next generation Virtual Sports content.

The result is the industry's most graphically advanced, leading Virtual Sports product. No other supplier comes near to the authenticity of our offering. Features include:
