Caishen Wins Slot Review

Themed around the Chinese god of wealth, the Caishen Wins

online slot is a mobile-optimized game from PG Soft. Bright symbols of lucky fish, lions, and red envelopes fill the cascading reels giving you between 2,025 and 32.400 ways to win.

Although these reels can lead to several wins in a sequence, the Caishen

Wins slot machine's biggest draw is its Wilds on the Way feature, which turns

highlighted symbol positions into wilds on the next spin. Lucky number 8's start a free spins round, and you can gamble for more bonus games with higher win multipliers. With a beautiful theme and endless features, what's not to love?

A Colorful Version of

Ancient China

Bright pastel colors ensure the Caishen Wins online slot stands out. It

has a cartoon style and a fast-paced Asian soundtrack to go along with each spin. Even the lower value playing card symbols come in a dazzling range of purples, greens, and reds.

The high paying picture symbols are all connected to the Asian theme that's so common with online slots. Firecrackers, lucky bowls, and golden frogs are some of the other classic {img} found beneath a green tiled roof.

The game comes from PG Soft, or

Pocket Game Soft. The name is a good indication to the developer's focus on creating mobile friendly slots. In fact, play the Caishen Wins slot online in portrait mode, and it's a perfect fit for the screen. If you select landscape orientation or play on a PC, much of the screen to either side of the reels is taken up by a decorative pink gate and fluffy clouds.

Unlock the Winning Ways

Along with the unusual six reel format,

there is a seventh reel spinning horizontally at the top. Randomly, symbols take up two to four spaces on any reel of the Caishen Wins slot machine, counting as just one each.

This has the effect of varying the number of ways that you can match symbols across adjacent reels for a win.

You have a minimum of 2,025 ways if multiple stacked symbols appear. If there are no stacked symbols, it all adds up to 32,400 ways to win. It varies the volatility in each spin, but overall, it stands at a solid 96.92%.

You can

stake between 0.20 and 20.00 on a spin. The paylines table shows you how many coins you win from each symbol at a basic 20-coin bet –

Symbols Match Three Match Four Match Five

Match Six 10, J, Q X1 X2 X3 X4 K, A X4 X6 X8 X10 Firecracker, Drum X6 X10 X12 X15 Red Envelope X8 X15 X20 X30 Fish X10 X25 X30 X40

If you have more than one of the winning

symbol on a reel, the payout gets multiplied. A 1/2/1 series of the Q, for example, pays $1 \times 2 \times 1 = 2$, doubling the win.

A cascading reels mechanism removes winning symbols

from the game, leaving space for new ones to drop from above. With some luck, that will create new combinations and trigger further cascades, giving you multiple wins from a single paid game.

Unlock the Features

A golden bowl is the wild symbol of the Caishen

Wins online slot. It acts as all except the lucky number 8 and only lands on the middle four reels.

The Wilds on the Way system starts with silver frames surrounding random symbols at any time. If the symbol becomes part of a winning combination, it transforms into a different symbol, and the frame turns gold. If the gold-framed symbol is part of another win during the cascade that follows, it then turns wild, helping you collect yet another win involving the same symbol position.

In the Success Caishen feature, the

Chinese god can fill the top reel of the Caishen Wins slot machine, then transform into four wilds.

Four number 8 scatter symbols launch a free spins round. You can start the feature with eight games, plus two more for each additional scatter above four. You can also gamble for more free spins and win multipliers by spinning a fortune wheel. Be careful, though, as losing the gamble cancels the round before it begins.

Catching

Caishen Online

The Chinese god of wealth is a popular guy. He stars in several games, including the Caishen's Cash slot machine from Pragmatic Play. Features include jackpots and a choice for respins, or free spins, and prizes max out at 22,000x your bet.

Play the Caishen's Treasure online slot from Spinmatic, and you can multiply wins over and over if luck is with you during a gamble feature. This five-reel, 243 ways to win game comes with free spins where random multipliers boost prizes by up to 50x.

Pocket the God of Wealth

Caishen Wins slot machine is a colorful game, filled with classic icons and brimming with extra features. The varying ways to win takes a little getting used to, but a handy counter above the reels tells you just how many are active in the spin.

If you like Oriental-themed games with plenty of bonuses, then play the Caishen Wins slot online at our approved casinos today!
