Slot Features

This slot is playable on 6 reels, 2-7 rows, and 117,649 paylines. This slot is based on a fantasy theme and a dark story with Morgana being the main character. This slot has a payout percentage of 95.98% with high volatility. Playable from 0.20 to 20.00 per spin, the game is powered by a high volatility maths model.

There are quite a few icons that will bring you some kind of added value, and these are ones that you want to continuously be on the lookout for. The first of these is the wild, which is a big green W. This one stands in for other symbols to help create a winning line. However, it won't rub the scatter. This one is known as the Bonus Symbol in Morgana Megaways and is a goblet. The last special icon is the mystery symbol, which is a crystal ball.

Of the regular icons, Morgana is the highest paying if you land her across an entire payline.

Among the other symbols that fall into the higher value category are snake's eye, a silver dragon and a purple gem. The lower paying symbols are standard playing cards 9, 10, J, Q, K and A.

Mystery Symbols – The mystery symbols can appear randomly during the regular gameplay or the bonus round and change into a regular symbol leading to a winning combo.

Appeals

As well as a fair, thorough and knowledgeable adjudication service, we hope to offer a satisfactory service to all users, both consumers and operators.

If you believe that an IBAS adjudication is factually incorrect or has failed to take into account key information which has the potential to alter the Adjudication Panel's decision, please click here for details of our appeals procedure.

Complaints About Our Service

The Independent Betting Adjudication Service (IBAS) aims to provide informed and impartial adjudications on disputes that arise between licensed gambling operators and their customers. Our primary aim is to provide a high quality dispute resolution service which meets the needs of our users but we set out to behave professionally, with respect and integrity throughout the process. Similarly we expect those who use the service to treat our employees politely and respectfully too.

We believe we meet our own expectations most of the time. However, if from your experience you feel that we have not got it right, please let us know.

We have a system in place, through which you can let us know if for any reason you are not satisfied with your experience of the organisation.

Complaints: Stage One

If you are unhappy about any IBAS service that relates to communications you have received from an IBAS employee, please make the relevant employee aware to give them the opportunity to clarify any misunderstanding or better explain why a particular position was

reached.

Often the relevant employee will be able to give you a response straight away.

However when the matter is more complicated they will give you at least an initial response within 5 working days.

Complaints: Stage Two

If you are not satisfied with the response received or wish to raise the matter more formally, please send an e-mail under the subject heading: "Complaint About IBAS" to complaints@ibas-uk.co.uk where it will be accessed by the IBAS Head of Adjudication.

If it is considered that you have grounds for complaint it will be logged as an official Complaint and you will receive a written acknowledgement within 5 working days.

At this stage the aim will be to investigate your complaint properly and provide you with a reply within 20 working days, setting out how the problem will be dealt with. If this is not possible, an interim response will be made informing you of the action taken to date or which is being considered.

We hope at this stage you will be satisfied that your complaint has been given due consideration, even if you remain in disagreement with our approach or decision.

Complaints: Stage Three

If after this stage you believe that your complaint has not been properly addressed and the subject of the complaint justifies the attention of the IBAS directors, you can submit a Stage Three complaint in writing to the Managing Director.

If the Managing Director considers the complaint to be justified and improperly addressed at an earlier stage in the complaints process, they will report the matter to the next meeting of the IBAS Board of Directors, which will decide on any further steps necessary to resolve the situation.

Therefore if you have completed stages one and two of the complaints process and feel the circumstances of your complaint fall into this category, please address your complaint to:

Beyond – or in addition to our complaints process – you can consider complaining about our performance to the Gambling Commission, our nominated Competent Authority in accordance with the requirements of British Alternative Dispute Resolution (ADR) regulations.
